SKILLS AND PERSONAL ATTRIBUTES

- **Communication:** I am a confident and clear communicator (both oral and written) and have native fluency in English
- **Computer Skills:** I am proficient in Microsoft Office, Adobe Creative Cloud and CorelDraw due to my history with graphic design and audio/video editing.
- **Team and Project Management:** I have worked with all kinds of teams in many different countries, and am very collaborative but authoritative when it comes to getting the job done on time. While developing websites as a freelance agent, I have dealt with both large and small teams, and have learned how to harness team strength while reducing conflict in groups of all sizes.
